

## Join us in leading #TheCrichton

The Crichton Trust is an innovative social enterprise based in the South of Scotland. We are looking to recruit up to three new Trustees to join us in leading #TheCrichton through its next exciting phase of development.

In our fast-changing connected world of automation, climate change, ageing and work mobility we need to discover and develop new inspiring inclusive ways and places to live, work, learn, play and relax.

We want to empower and enable a cross-generational, business, academic and individual knowledge exchange community that shapes our world and the 'Future Economy'. We will do this primarily via the bold and enterprising custodianship of The Crichton Estate, creating a world-renowned home and destination for innovation; a place for people to cohabit and share ideas - all inspired by The Crichton's extraordinary history, places and spaces.

In a nutshell – *'we connect people, place and the past to shape the future'* – come and help us shape our future.

### Trustees

We are looking for committed individuals to expand the range of Trustee skills as well as to consolidate existing skills with an eye to succession planning. We require dynamic and motivated people who are excited by harnessing the full potential of The Crichton to change our world. We expect Trustees to contribute actively to the Board by giving strategic direction; setting overall policy; defining goals and setting targets; evaluating performance; and ensuring the Charity's effective and efficient administration and financial stability.

We strive to have a wide range of people on the Board, and seek to be representative of the diverse population of our Region. There is no need to have Trustee experience to apply, just a desire to support the aims of the Trust going forward.

In addition, on the basis of a recent skills audit, we are particularly looking for individuals with financial skills, heritage development, and/or representation of the younger population in the South of Scotland.

All travel and out of pocket expenses will be paid.
