

## Funeral Teas

We understand that organising a funeral reception can add additional stress to an already emotional time and we promise you our sincere compassion and kind care and attention. Our menu has been put together to ensure we take the worry and stress out of your plans, and help you focus on remembering your loved one on their day of remembrance.

Experience tells us that an Afternoon Tea style buffet is usually ideal, our Duncan Rooms can cater for parties from 30 up to 120 with our Main Hall available for parties of over 120. In both rooms, tables are clothed with white linen tablecloths and napkins and the Bar can be opened on request.
